#### *Forward-Looking Statement:*

*Certain statements in this release are forward-looking statements, which reflect the expectations of management regarding the Company's plans with respect to its existing graphite interests, future financings, and the analysis and investigation of the medical marijuana sphere. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future and statements concerning the anticipated drilling programs, future financings, and the Company proceeding with any transactions in the medical marijuana sphere. Such statements are subject to risks and uncertainties that may cause actual results, performance or developments to differ materially from those contained in the statements. No assurance can be given that any of the events anticipated by the forward-looking statements will occur or, if they do occur, what benefits the Company will obtain from them. In particular, the Company cautions that any financings or potential transactions cannot be predicted with certainty, and there can be no assurance at this time that all required or desirable approvals and consents to affect future financings or proposed transactions will be achieved at all. These forward-looking statements reflect management's current views and are based on certain expectations and assumptions which may prove to be incorrect. A number of risks and uncertainties could cause our actual results to differ materially from those expressed or implied by the forward-looking statements, including factors beyond the Company's control. These forward-looking statements are made as of the date of this news release.*
