### **CAVAN APPOINTS BERNARD LAPOINTE TO ADVISORY BOARD**

**August 15<sup>th</sup>, 2017 VANCOUVER, B.C.** – CAVAN VENTURES INC. (V: CVN.H) (“Cavan” or “the Company”) is pleased to welcome Bernard Lapointe to its newly formed Advisory Board.

Mr. Lapointe has extensive experience in the resource sector. He holds a B.A. in geology from the University of Québec (Montreal; 1980), a Masters degree in structural geology from the University of Québec (Chicoutimi), and a Ph.D. in mineral resources from the University of Québec (Chicoutimi).

He founded Arianne Resources (now named Arianne Phosphate TSX-V: DAN) in 1997 and acted as CEO until 2013. Arianne Phosphate is developing one of the biggest Greenfield igneous phosphate project in the world. Prior to Arianne, Bernard served as director of the Saguenay-Lac-St-Jean Mining Fund and also acted as a geochemist analyst for the University of Québec at Chicoutimi.

Currently Mr. Bernard is a semi-retired geologist, consultant and a private investor. He is a lecturer at the University of Québec at Chicoutimi in the field of Exploration Financing and has recently attended a short course in Germany on Geothermal Reservoir Engineering.

Peter P. Swistak, President/CEO of Cavan Ventures Inc., states, "The depth and scope of Mr. Lapointe is unparalleled and Cavan is very fortunate to have access to this knowledge as we believe he is the best in his field with an extensive bio and proven track record. He will add tremendous value, credibility and unique knowledge to Cavan."

Cavan Venture’s mission is to identify, acquire, and advance high potential mining prospects located in North America for the benefit of its stakeholders. For more information visit the website at [www.cavanventuresinc.com](http://www.cavanventuresinc.com).
